## ORIGINS 1971 COLLECTION BOOK

Medeuzza, Friuli, Italia.

Sono nato nel cuore del distretto italiano della sedia. Nel 1971, a 19 anni, ho deciso di diventare artigiano. Da allora ho dedicato la mia vita alla fabbricazione di sedie. Visito i boschi gestiti responsabilmente da cui proviene il nostro legno. Ho scelto l'energia del sole per i nostri processi produttivi. Ogni giorno sono a fianco dei miei collaboratori che, con cura e competenza, costruiscono le nostre sedie. Da sempre l'impegno è per un prodotto ben fatto, che rispetti l'ambiente, i lavoratori coinvolti e la fiducia delle persone che lo sceglieranno. Da questa esperienza nasce Origins 1971, un nuovo progetto con radici profonde.

Ulderico Musig

Presidente Palma SpA

I was born in the heart of the Italian chair manufacturing area. In 1971, aged 19, I decided to become an artisan. Since then I've dedicated my life to making chairs. I visit the responsibly managed woods which provide our wood. I opted for solar energy for our production processes. I'm at the side of my staff every day as they carefully and skilfully build our chairs. We've always been committed to a well-made product with respect for the environment, the workers involved and the trust of those who choose this product. This experience has produced Origins 1971, a new design project with deep roots.

Je suis né au cœur du district italien de la chaise. En 1971, à 19 ans, j'ai décidé de devenir artisan. Depuis, j'ai consacré ma vie à la fabrication de chaises. Je visite les forêts à gestion durable d'où provient notre bois. J'ai choisi l'énergie du soleil pour nos processus de production. Chaque jour je suis aux côtés de mes collaborateurs qui, avec soin et savoir-faire, construisent nos chaises. Depuis toujours, je m'efforce d'obtenir un produit bien fait, qui respecte l'environnement, les travailleurs qui le fabriquent et la confiance des personnes qui le choisissent. De cette expérience naît Origins 1971, un nouveau projet aux racines profondes.

Ich wurde im Zentrum der italienischen Sesselindustrie geboren. 1971, mit 19 Jahren, entschied ich mich für den Handwerkerberuf. Seit damals habe ich mich der Herstellung von Sesseln verschrieben. Ich besuche die nachhaltig bewirtschafteten Wälder, aus denen unser Holz kommt. Die Energie für unsere Produktionsprozesse kommt von der Sonne. Ich bin täglich an der Seite meiner Mitarbeiter, die mit Sorgfalt und Kompetenz unsere Sessel herstellen. Wir sind immer bemüht, gute Produkte zu fertigen, mit Respekt für die Umwelt, für alle, die in den Fertigungsprozess einbezogen sind und für den Endverbraucher, der uns sein Vertrauen schenkt. Aus dieser Erfahrung ist Origins 1971 entstanden, ein neues Projekt mit tiefen Wurzeln.

## Original Italian passion.

Un'autentica passione italiana.

Origins 1971 è un nuovo progetto con radici profonde. Nasce dall'esperienza e dall'evoluzione di Palma, un'importante realtà italiana nel mondo della sedia, trasformatasi da piccolo laboratorio artigianale a grande azienda moderna, senza perdere la passione originaria. Prende forma da un processo ecosostenibile che parte dalla selezione del legno in foreste certificate e giunge al prodotto finito, attraversando tutte le fasi di lavorazione: dal semilavorato alle finiture. Un percorso progettuale e produttivo che coinvolge oltre 200 collaboratori e garantisce un totale controllo sulla qualità, ma anche una totale versatilità, grazie all'impiego delle più recenti tecnologie. Esprime i valori estetici ed emozionali del legno, materia calda e viva, parlando un linguaggio al tempo stesso raffinato ed immediato, che attinge a molteplici culture e tradizioni, riuscendo a rimanere universale. Un'idea sviluppata con entusiasmo, creatività e competenza, per dare origine a un mondo di possibilità d'arredo.

Original Italian passion.

Origins 1971 is a new project with deep roots. It is born of experience and development at Palma, a major Italian chair manufacturer, which was transformed from a small craft workshop into a large modern company without losing the original passion. It takes its shape from an eco-sustainable process which starts with selection of the wood in certified forests up to the finished product, through all phases of manufacture, from the semi-finished product to the finishes. A design and production process which involves over 200 staff members and ensures total quality control and also total versatility thanks to use of the latest technologies. It expresses the aesthetic and emotive values of wood, a warm and living material, in an idiom which is both sophisticated and direct and which draws on many cultures and traditions, yet still remains universal. An idea developed with enthusiasm, creativity and capability to create a world of possible interiors.

Pure passion italienne.

Origins 1971 est un nouveau projet aux profondes racines. Il naît de l'expérience et de l'évolution de Palma, un important acteur italien dans l'univers de la chaise, qui de petit laboratoire artisanal s'est transformé en une grande entreprise moderne, sans perdre la passion de ses origines. Il prend forme d'un processus écodurable qui part de la sélection du bois issu de forêts certifiées et arrive au produit fini, en traversant toutes les phases de fabrication, du semi-fini aux finitions. Un parcours allant du projet à la production, impliquant plus de 200 collaborateurs, qui garantit un contrôle total sur la qualité mais aussi une flexibilité totale, grâce à l'utilisation des technologies les plus récentes. Il exprime les valeurs esthétiques et émotionnelles du bois, matière chaude et vivante, parlant un langage à la fois raffiné et immédiat, qui emprunte à de nombreuses cultures et traditions, en parvenant à rester universel. Une idée développée avec enthousiasme, créativité et compétence, pour donner origine à un monde de possibilités d'ameublement.

Original italienische Leidenschaft.

Origins 1971 ist ein neues Projekt mit tiefen Wurzeln. Es entsteht aus der Erfahrung des bedeutenden italienischen Sesselherstellers Palma, der sich von der kleinen Schreinerwerkstatt zum modernen Industrieunternehmen entwickelt hat, ohne die ursprüngliche Leidenschaft für dieses Handwerk zu verlieren. Die Basis ist ein ökologisch nachhaltiger Prozess, von der Wahl des Holzes aus zertifizierten Forstbetrieben bis zum fertigen Produkt in allen Verarbeitungsphasen: vom Halbzeug bis zur Endausfertigung. Ein Weg, der in der Planung und Produktion über 200 Mitarbeiter beschäftigt und eine absolute Qualitätskontrolle garantiert, aber auch höchste Flexibilität dank modernster technischer Verfahren. Hervorgeholt werden die ästhetischen und emotionalen Eigenschaften von Holz, ein warmer, lebendiger Werkstoff, gleichzeitig raffiniert und spontan im Ausdruck, der aus vielen Kulturen und Traditionen schöpft, ohne seine allgemeine Gültigkeit zu verlieren. Ein Projekt, das mit Enthusiasmus, Kreativität und Kompetenz entwickelt wird und Lösungen für vielfältige Wohnwelten entstehen lässt.

Origins 1971 è uno strumento trasversale e flessibile per arredare qualsiasi ambiente, dal contract al residenziale, in armonia con ogni progetto, contesto, desiderio. Un programma completo di sedie, poltroncine, sgabelli, poltrone e divani che dividono dei solidi concetti tecnici di base, studiati per permettere le più diverse variazioni sul tema della seduta. Scegliendo fra diverse forme, tonalità di colore, tipologie di rivestimento, ognuno può creare la propria soluzione ideale, praticamente senza limiti. Tutto questo, con uno stile che interpreta il senso originale della seduta come complemento d'arredo: una presenza non fine a sè stessa, ma capace di risolvere esigenze concrete, con elegante e ben studiata semplicità.

Origins 1971 is a versatile and flexible tool for furnishing any room, from contract to residential, in line with every design, context and aspiration. A complete range of chairs, small armchairs, stools, armchairs of all sizes and sofas which share the solid basic technical concepts, designed to allow the most widely differing variations on the seating theme. By choosing from among different shapes, colours and types of upholstery each one can create their own ideal solution, virtually without limits. All this with a style which interprets the original meaning of seating as an item of furniture, a presence which is not an end in itself but able to meet specific needs with elegant and fully researched simplicity.

Un concetto strutturale e formale che risale alla più antica tradizione, tanto da porsi fuori dal tempo. L'idea stessa di sedia che diventa un componente d'arredo non ostentato, eppure in grado di contribuire ad un'atmosfera, sottolineare il carattere di uno spazio. Una semplicità che risulta contemporanea, anche nella facilità con la quale può vestirsi di molteplici tonalità e gradazioni.

A structural and formal concept which dates back to the oldest tradition to become timeless. The actual idea of a chair which becomes a discreet piece of furniture yet able to add to the mood and heighten the personality of a space. A simplicity seen to be contemporary also in the ease with which it can be covered in many colours and colour shades.

Un concept structurel et formel qui remonte à la tradition la plus ancienne, au point de devenir intemporel. L'idée même de chaise qui devient un élément de mobilier discret tout en étant capable de contribuer à une atmosphère et de mettre en valeur la personnalité d'un espace. Une simplicité qui se révèle contemporaine, y compris dans la facilité avec laquelle elle peut adopter une multitude de teintes et de nuances.

Ein konstruktives und formales Konzept, das auf eine alte Tradition zurückgeht und so eine zeitlose Dimension annimmt. Die verkörperte Idee eines Sessels, der zu einem unaufdringlichen Teil der Einrichtung wird und dennoch zu einer besonderen Atmosphäre beiträgt und den Charakter der Räume betont. Eine zeitgemäße Schlichtheit, auch in der Leichtigkeit, mit der farblich unterschiedlichste Bekleidungen möglich sind.

Lo schienale avvolgente a sezione triangolare, è l'elemento caratterizzante di una seduta accogliente ed elegante allo stesso tempo. Un dettaglio di ispirazione nordica che esprime una particolare attenzione per l'ergonomia ed un senso architettonico dell'arredo. Una pulizia formale che non rinuncia ad un caldo senso di comfort, sia nelle versioni completamente in legno che in quelle con sedile imbottito.

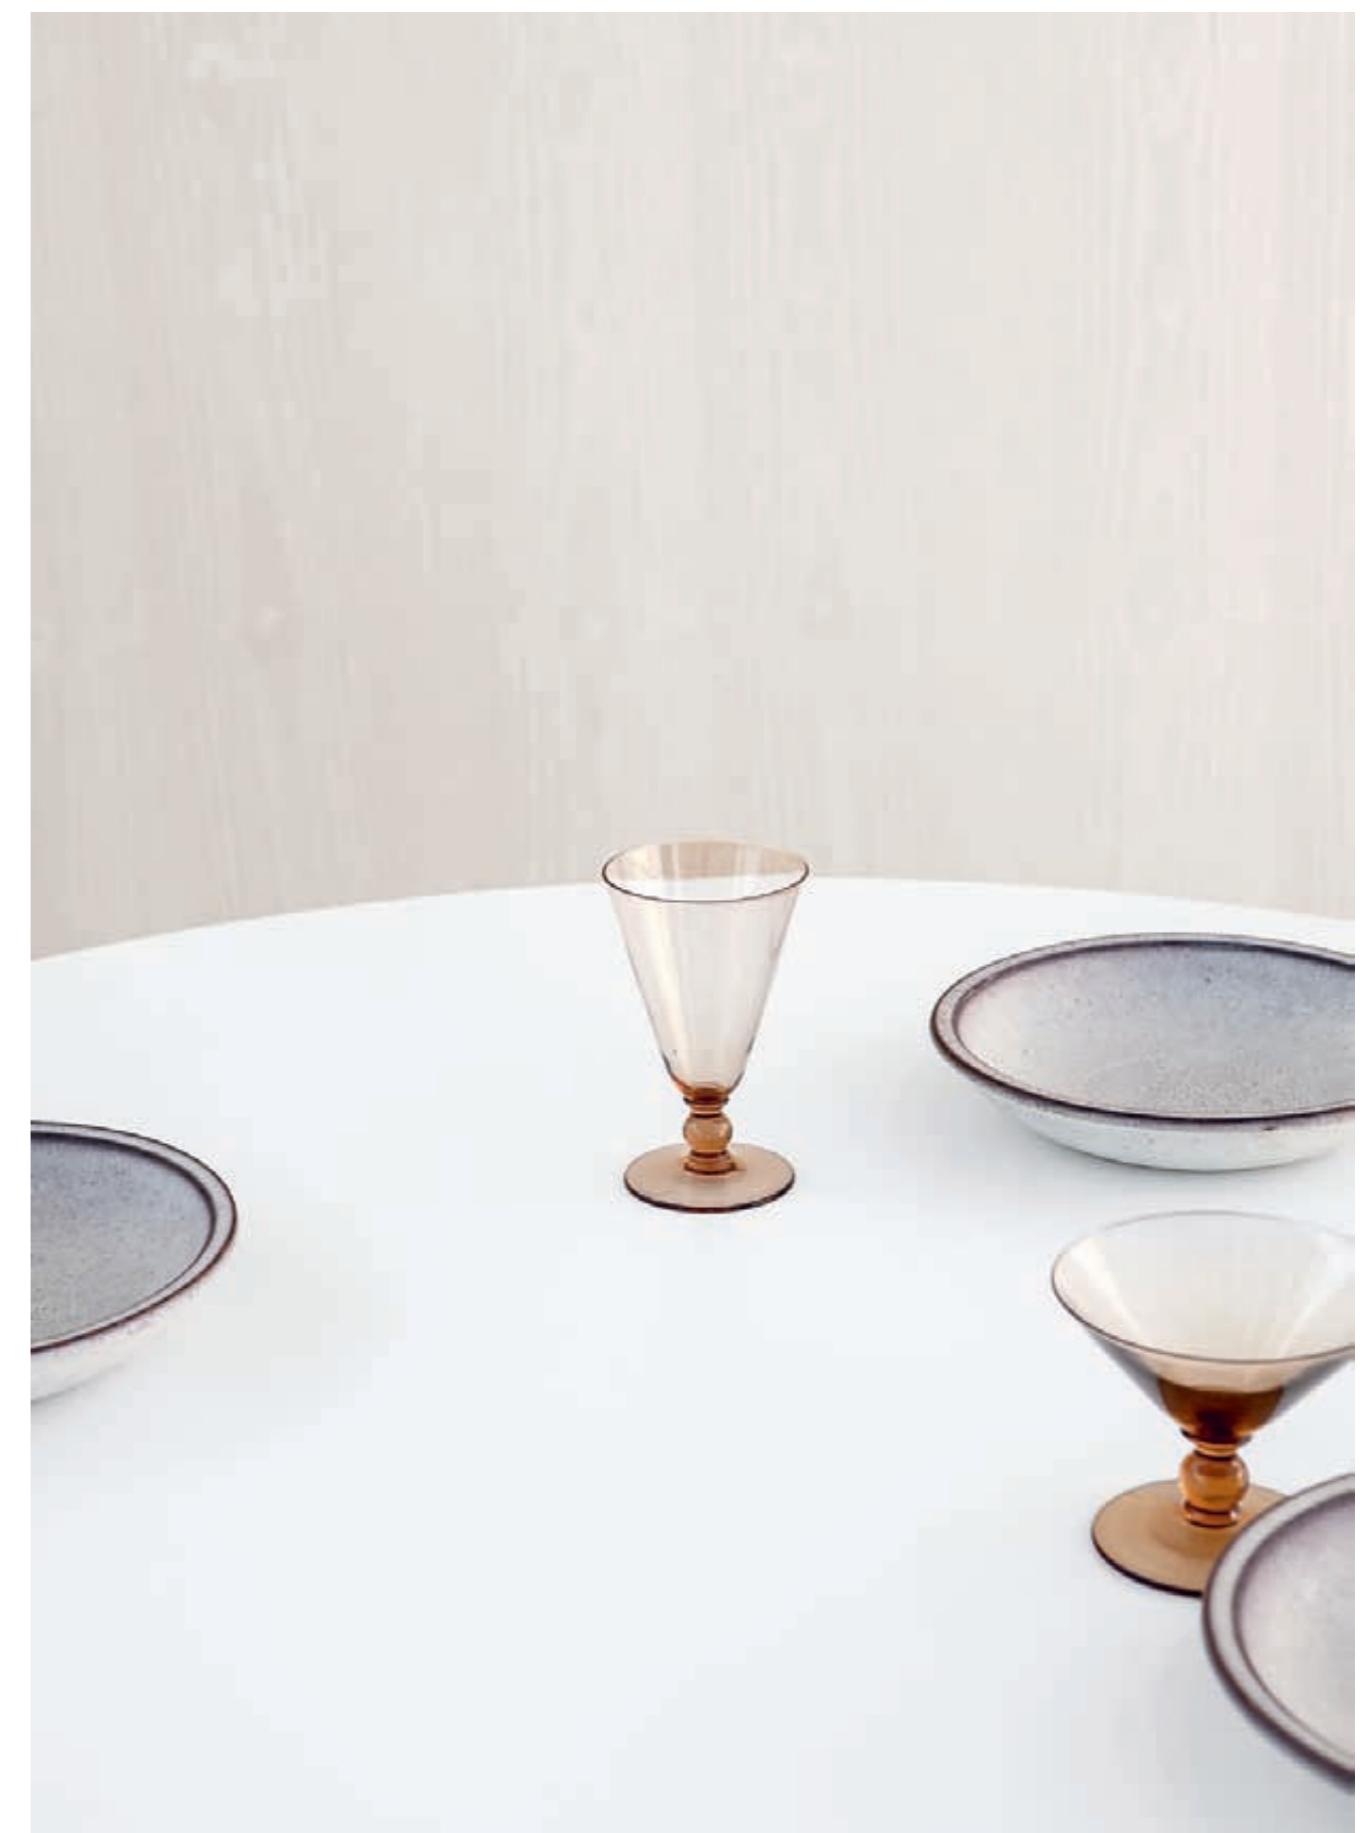

The curved back with triangular section is the distinctive feature of a chair which is both welcoming and elegant. A detail of Nordic inspiration manifesting a special focus on ergonomics and an architectural sense of furnishing. Clean lines which do not forgo a warm sense of comfort, both in the all-wood versions and in those with upholstered seat.

Le dossier enveloppant de section triangulaire est l'élément caractérisant d'une chaise à la fois accueillante et élégante. Un détail d'inspiration nordique qui exprime une attention particulière pour l'ergonomie et un sens architectural de l'ameublement. Une pureté des formes qui ne renonce pas à une sensation chaleureuse de confort, aussi bien dans les versions entièrement en bois que dans celles avec assise rembourrée.

Die körpernahe Rückenlehne mit dreieckigem Profil ist das entscheidende Element, das den Charakter dieses ebenso einladenden wie eleganten Sitzmöbels prägt. Ein Detail nordischer Tradition, das die besondere ergonomische Sorgfalt und architektonische Dimension zum Ausdruck bringt. Die klaren Formen vermitteln dennoch ein warmes Gefühl von Komfort, sowohl in den Ausführungen komplett aus Holz als mit gepolsterter Sitzfläche.

Ricorda l'atmosfera dei tipici locali italiani del Novecento, questa seduta con schienale dalle forme morbide e decorative. Un tratto dal sapore particolare che può essere reso ancora più unico, scegliendo in una gamma molto ampia di possibilità cromatiche, anche in gradazioni progressive dello stesso colore laccato, e di rivestimenti di ogni tipo.

This seat with its back with soft and decorative shapes is reminiscent of the atmosphere of typical Italian bars and restaurants in the twentieth century. A design with a special feel which can become even more unique through a choice from a very broad range of possible colours, also in gradient shades of the same lacquer finish colour, as well as all types of upholstery.

Cette chaise avec son dossier aux formes douces et décoratives rappelle l'atmosphère des établissements italiens typiques du XXe siècle. Une caractéristique d'un goût particulier qui peut être rendu encore plus unique, en choisissant dans une ample gamme de possibilités chromatiques, y compris avec des nuances progressives de la même couleur laquée et de revêtements en tout genre.

Mit der Rückenlehne in der weichen, dekorativen Form erinnert der Stuhl an die typische Atmosphäre italienischer Lokale des 20. Jahrhunderts. Ein Design mit besonderem Flair, das dank der großen farblichen Auswahl, auch in ansteigenden Nuancen der gleichen Lackfarben, und der unterschiedlichsten Bezüge zusätzliche individuelle Noten ermöglicht.

Lo schienale ampio, oltre ad offrire un sostegno particolarmente generoso, ricorda situazioni del passato, riportando in auge una tipologia di seduta risalente ai primi decenni del Novecento. Nello spazio, questo dettaglio formale emerge con un valore quasi grafico, anche in sorprendenti abbinamenti tono su tono: una possibilità offerta dall'intera collezione Origins 1971.

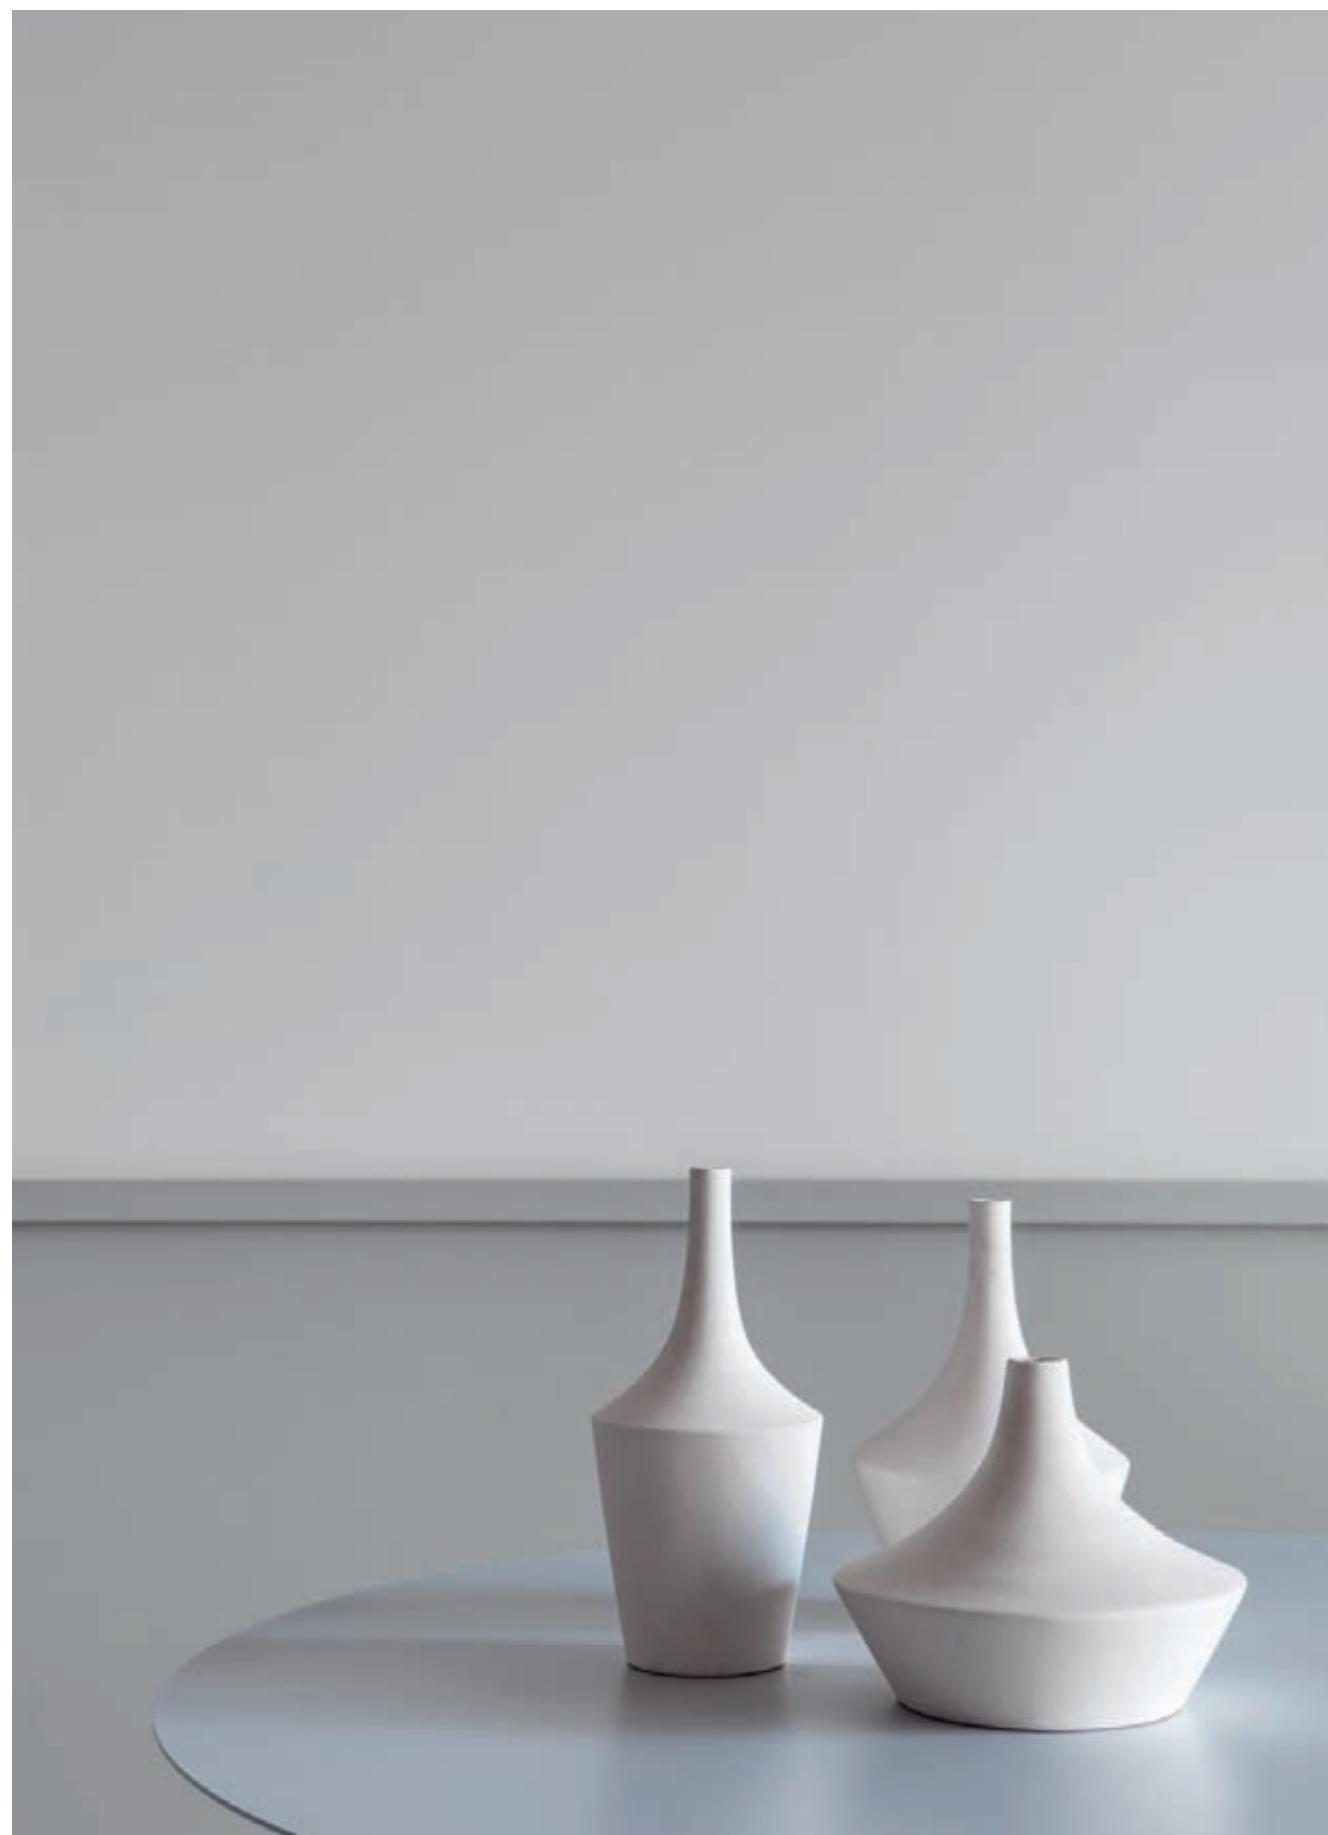

The broad back, as well as providing particularly generous support, is reminiscent of examples from the past, bringing back into fashion a type of seat dating back to the early twentieth century. This formal detail stands out in the space with an almost graphic quality, also with surprising tonal coordination, a possibility offered by the entire Origins 1971 collection.

Le large dossier, en plus d'offrir un soutien particulièrement généreux, rappelle des situations du passé en remettant au goût du jour un type de chaise emprunté aux premières décennies du XXe siècle. Dans l'espace, ce détail formel émerge avec une valeur presque graphique, y compris dans de surprenantes associations ton sur ton : une possibilité offerte par toute la collection Origins 1971.

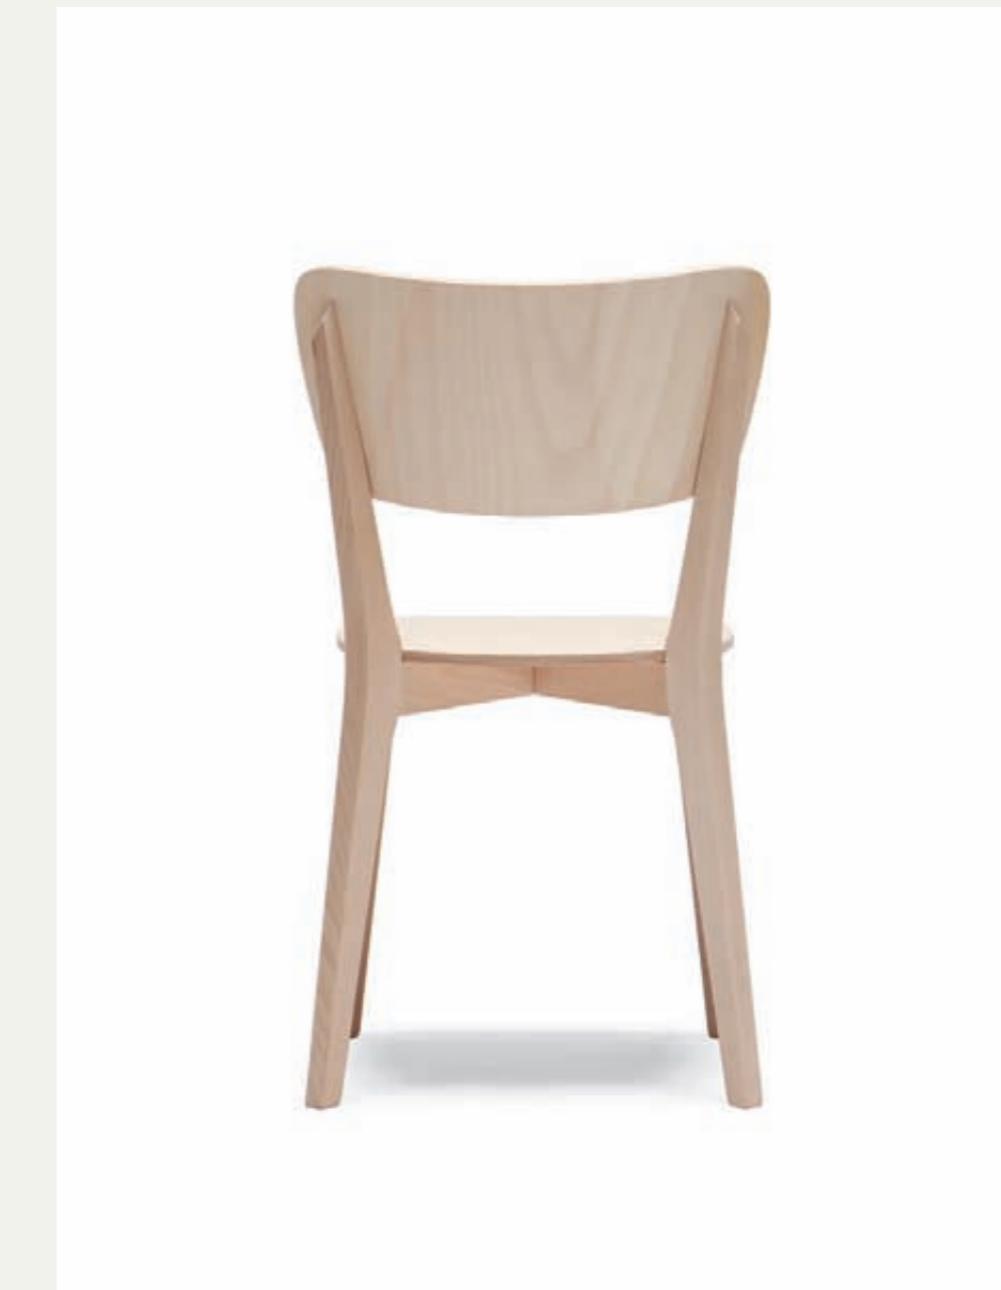

Die breite Rückenlehne garantiert eine besonders großzügige Stütze und erinnert an Atmosphären der Vergangenheit, ein Sitzmöbel im Stil der ersten Hälfte des 20. Jahrhunderts, aber modern interpretiert. Diese besondere Form nimmt im Raum eine fast grafische Dimension an, auch in überraschenden Kombinationen Ton-in-Ton: diese Möglichkeit wird von der gesamten Kollektion Origins 1971 geboten.

Una tipologia d'arredo trasversale, fra la sedia e la poltroncina, con uno schienale di grandi dimensioni che accentua la presenza della seduta nell'ambiente, pur senza risultare pesante né eccessivo. La possibilità di interpretare ruoli impegnativi da protagonista, è accentuata dalla scelta fra diversi colori e rivestimenti, anche con abbinamenti inconsueti.

A versatile furniture type, midway between chair and small armchair, with a large-sized back which accentuates the presence of the seat in the room, without heaviness or excess. The possibility of interpreting difficult lead roles is emphasised by the choice from among different colours and upholsteries, also with unusual coordination.

Ein anpassungsfähiges Möbel zwischen Stuhl und Sessel, mit großflächiger Rückenlehne, das sich im Raum bemerkbar macht, aber weder schwer noch aufdringlich wirkt. Die wichtige Rolle in der Charakterisierung von Räumen wird durch die Auswahl an Farben und Bezügen, auch in ungewöhnlichen Kombinationen, weiter gestärkt.

È adatto agli ambienti più svariati, in abbinamento a tutti i modelli della collezione Origins 1971, lo sgabello alto con slanciate gambe in massello, unite da un elemento metallico con funzione di poggiapiedi. Come per le sedie della collezione, anche per gli sgabelli è possibile scegliere fra otto varianti diverse di seduta, per soddisfare qualsiasi esigenza funzionale e d'arredo.

Suitable for the most widely differing rooms and coordinated with all the models in the Origins 1971 collection, the tall stool with streamlined legs in solid wood, joined by a metal part which acts as footrest. As with the chairs in the collection there is also choice of eight different seat versions for the stools, to meet any functional and decor requirement.

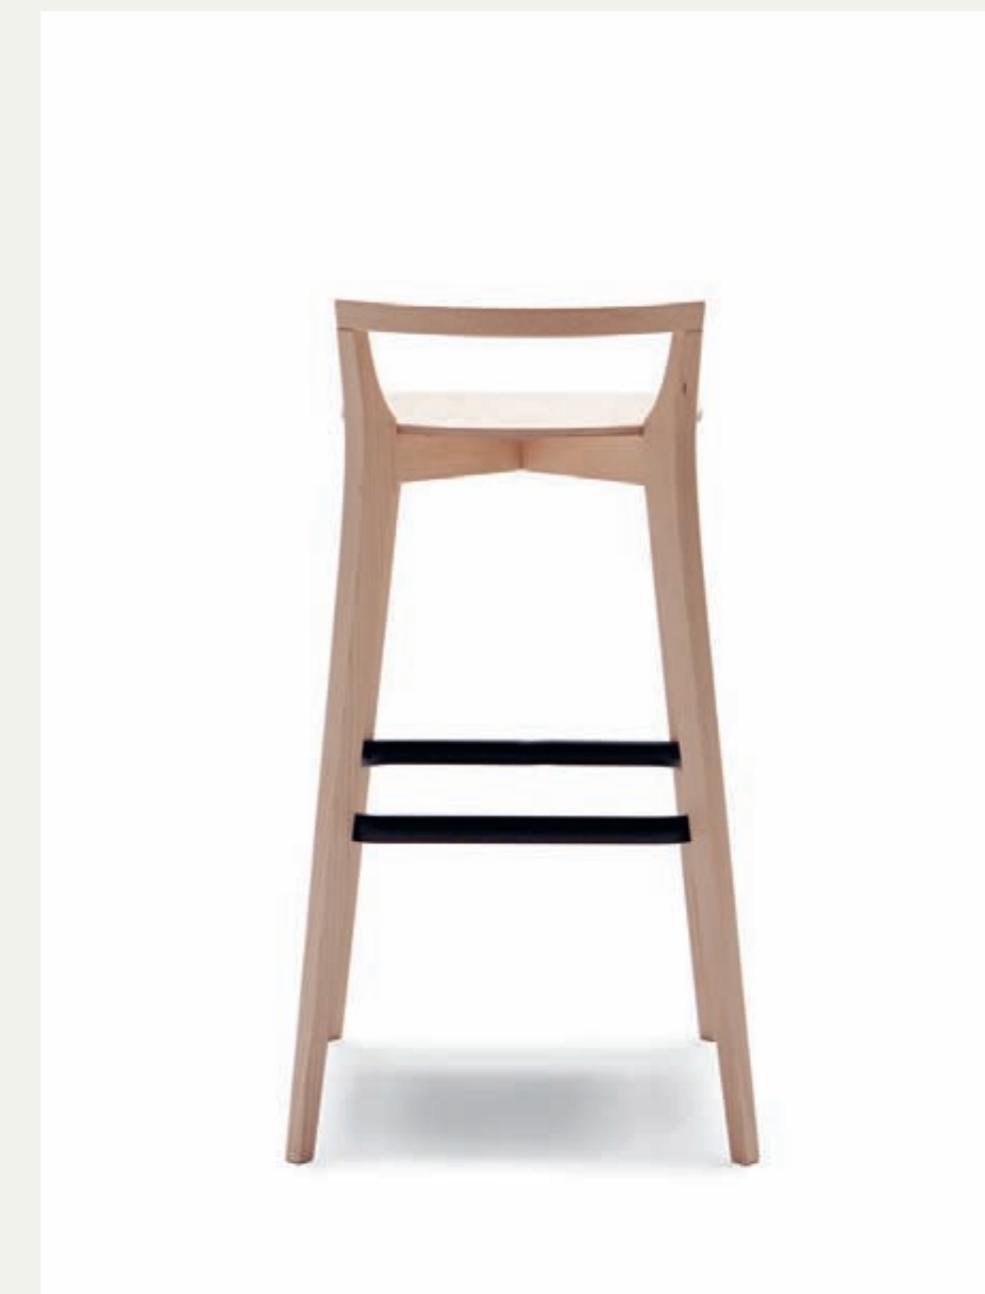

Le tabouret haut, avec de fins pieds en bois massifs reliés par un élément métallique servant de repose-pieds, est adapté aux environnements les plus variés, associé à tous les modèles de la collection Origins 1971. Comme pour les chaises, la collection propose pour les tabourets également huit variantes d'assise afin de satisfaire n'importe quelle exigence fonctionnelle et décorative.

Der Hocker mit den schlanken Beinen aus Massivholz, verbunden durch ein metallisches Element, das auch als Fußstütze dient, passt in unterschiedlichste Räume und kann mit allen Modellen der Kollektion Origins 1971 kombiniert werden. Wie für die Stühle der Kollektion, kann auch bei den Hockern unter acht Varianten für die Sitzfläche gewählt werden, die jede Anforderung an Funktion und Einrichtungsstil befriedigen.

Una nobiltà che è soprattutto interiore. Un ritrovato gusto per forme decorative e scenografiche, senza cadere in effimeri eccessi di protagonismo. Con il suo schienale imbottito a forma di scudo, incorniciato dalle forme sinuose del legno che creano una continuità estetica e costruttiva con la struttura, Blason recupera una tipologia di seduta del passato, capace di suscitare emozioni e possibilità d'arredo anche nel presente.

A nobility which is above all interior. A regained taste for decorative and theatrical forms, without falling into passing excesses of self-importance. With its padded back shaped like a shield, framed by the sleek wood shapes which create an aesthetic and constructional continuity with the frame, Blason revives a type of seat from the past, able to arouse emotion and create interior design potential also in the present.

Une noblesse qui est surtout intérieure. Un goût retrouvé pour des formes décoratives et scénographiques qui savent jouer un rôle de premier plan mais avec discrétion et dans la continuité. Avec son dossier rembourré en forme de blason, encadré par les formes sinuoses du bois qui créent une continuité esthétique et de construction avec la structure, Blason récupère une typologie de chaise du passé, capable de susciter des émotions et d'offrir des solutions d'aménagement aussi dans le présent.

Der edle Charakter kommt aus dem Inneren. Ein wiedergefundener Sinn für dekorative, effektvolle Formen, ohne sich übertrieben in den Vordergrund zu drängen. Blason, mit gepolsterter Rückenlehne in Form eines Wappenschildes, eingefasst in den geschwungenen Holzrahmen für eine ästhetische und konstruktive Kontinuität mit dem Gestell, greift ein Design der Vergangenheit auf, das auch heute Emotionen wachruft und in zeitgemäße Einrichtungen passt.

Lo schienale imbottito di Médailon è racchiuso in una cornice di legno di forma circolare che lo impreziosisce, creando una continuità materiale ed estetica con la struttura. Un riferimento stilistico agli ornamenti di antichi palazzi e mobili, per una seduta modernamente versatile, nella scelta fra diverse tipologie, colori e rivestimenti, capace di inserirsi nei contesti più diversi: classici o contemporanei.

The upholstered back of Médailon is enclosed in a round wood frame which embellishes it, creating a material and aesthetic continuity with the frame. A style reference to the ornamentation of ancient buildings and furniture, for a contemporary versatile seat with a choice of different types, colours and upholsteries, suited to the most diverse contexts - classic or contemporary.

Le dossier rembourré de Médailon est cerné par un cadre de bois de forme circulaire qui le met en valeur en créant une continuité matérielle et esthétique avec la structure. Une référence stylistique aux ornements des demeures et meubles du passé, pour une chaise qui s'adapte à toutes les exigences d'aujourd'hui grâce au choix entre différentes typologies, couleurs et revêtements, lui permettant de s'intégrer aux contextes les plus variés, classiques ou contemporains.

Die gepolsterte Rückenlehne von Médailon ist in einen runden Holzrahmen eingeschlossen, der edle Akzente setzt und eine stoffliche und ästhetische Einheit mit dem Gestell entstehen lässt. Stilistisch auf Zierelemente von antiken Palästen und Möbeln bezogen, ist ein modernes, vielseitiges Sitzmöbel entstanden, das sich mit der Auswahl verschiedener Typologien, Farben und Bezügen in unterschiedlichste Umgebungen einfügt: klassisch oder zeitgenössisch.

Le linee arcuate e snelle dello schienale, sono incorniciate da un telaio in legno massello, dalle forme morbidamente stondate, che crea una calda sensazione ed un senso di continuità con la struttura e le gambe. Un concetto costruttivo che diventa elemento caratterizzante di un intero programma di sedie, sgabelli imbottiti, poltroncine e divani a due posti.

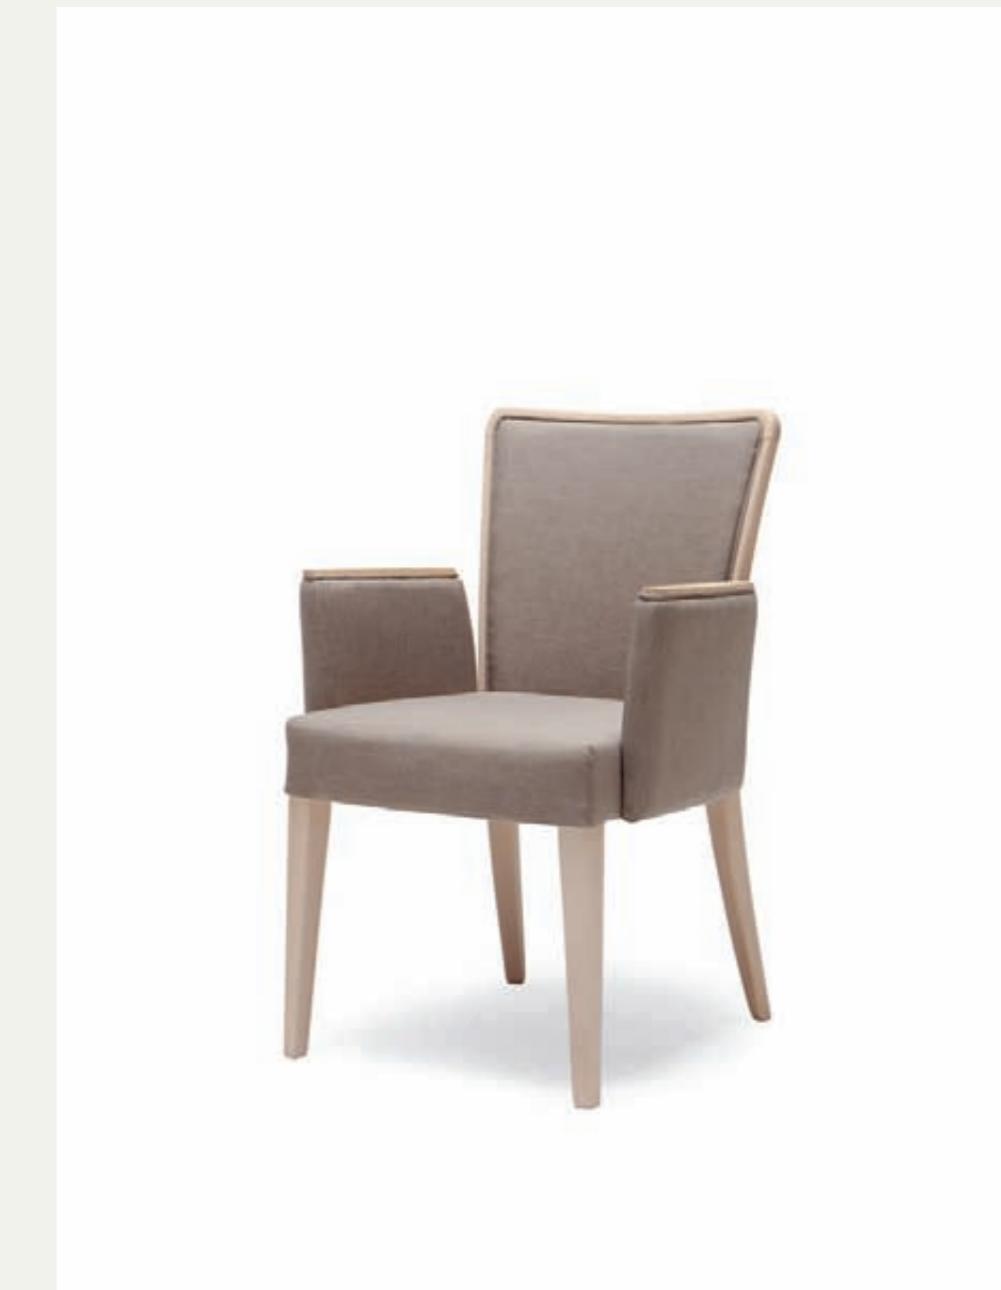

The arched, slim lines of the back are set within a frame in solid wood with softly rounded shapes which creates a warm feeling and a sense of continuity with the frame and the legs. A construction concept which becomes a distinctive feature of a whole range of chairs, upholstered stools, small armchairs and two-seater sofas.

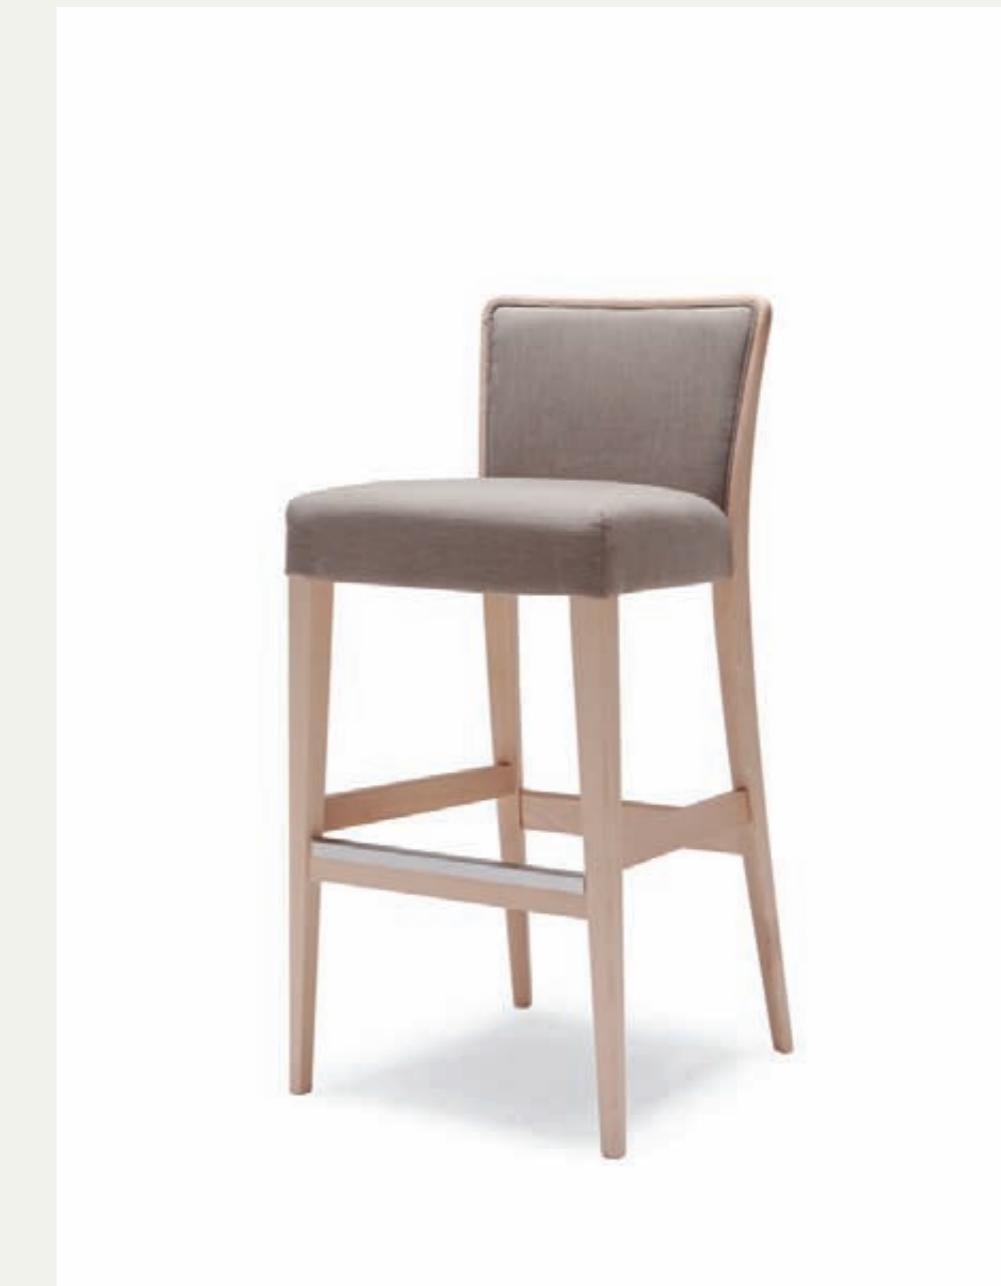

Les lignes courbes et fines du dossier sont soulignées par un cadre en bois massif aux formes délicatement arrondies, qui crée une sensation chaleureuse et une sensation de continuité avec la structure et les pieds. Un concept de construction qui devient un élément caractérisant de tout un programme de chaises, tabourets rembourrés, fauteuils et canapés à deux places.

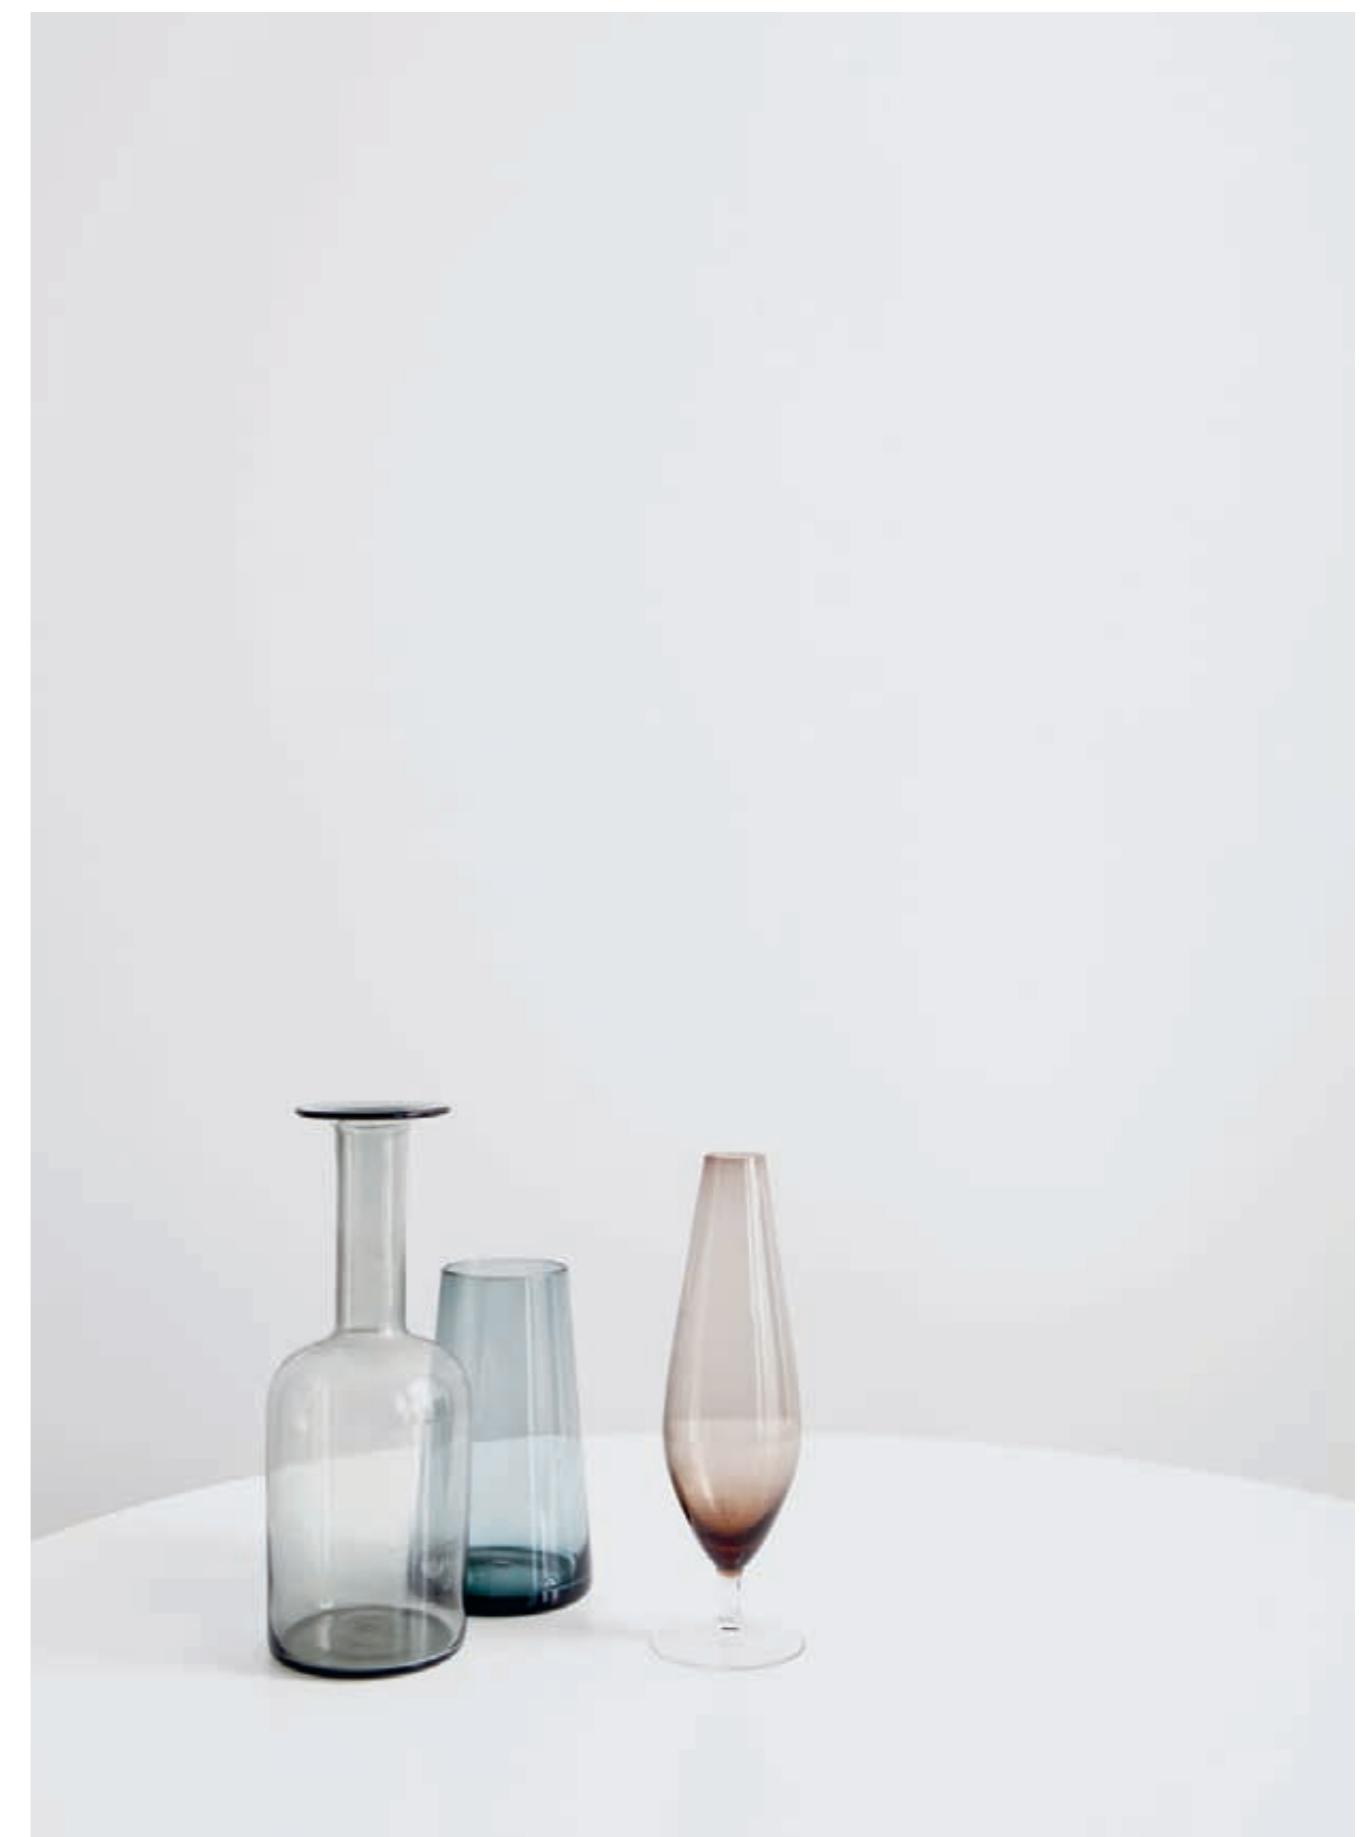

Die schlanken, gebogenen Linien der Rückenlehne werden von einem Massivholzrahmen in weich abgerundeten Formen eingefasst, die ein angenehmes Gefühl und attraktive Kontinuität zwischen Gestell und Beinen erzeugen. Dieses Konstruktionsprinzip wird zu einem charakteristischen Element des gesamten Programms aus gepolsterten Stühlen und Hockern, Armstühlen und zweisitzigen Sofas.

La collezione Origins 1971, oltre al Faggio in una gamma selezionata di tinte, offre una vasta palette di colori laccati opachi, anche proposti in gruppi di 3 gradazioni cromatiche. In questo modo è possibile scegliere un modello di sedia in più gradazioni dello stesso colore, creando effetti tono su tono, oppure il medesimo modello in diverse tinte, giocando con affinità o contrasti. Sono inoltre disponibili tutti i colori presenti nel catalogo Palma, nonché eventuali realizzazioni su colore campione fornito dal cliente.

The Origins 1971 collection offers, alongside a selected range of colours, a vast palette of matte lacquer colours, also grouped into three colour shades. In this way a chair model can be selected in several shades of the same colour, creating tonal effects, or the same model in different colours, playing on matches or contrasts. All the colours in the Palma catalogue are also available as well as possible products manufactured to the sample colour supplied by the customer.

La collection Origins 1971, en plus d'une gamme sélectionnée de teintes, offre une vaste palette de couleurs laquées mates, proposées aussi en groupes de 3 nuances dégradées. De cette manière, il est possible de choisir un modèle de chaise en plusieurs nuances de la même couleur, en créant des effets ton sur ton, ou bien le même modèle dans des coloris différents en jouant sur les affinités ou les contrastes. La collection peut être réalisée également dans toutes les teintes présentes dans le catalogue Palma, ainsi que suivant un échantillon de couleur fourni par le client.

Die Kollektion Origins 1971 wird nicht nur in ausgewählten Beiztönen angeboten, sondern auch in einer umfangreichen Palette von matten Lackfarben, auch in Gruppen von drei verschiedenen Schattierungen. So kann ein Sessel in mehreren Nuancen der gleichen Farbe gewählt werden, um einen Ton-in-Ton-Effekt zu erzielen, oder ein Modell in verschiedenen Farbtönen, für ein Spiel mit Affinitäten oder Kontrasten. Außerdem sind alle im Katalog von Palma gezeigten Farben verfügbar, dazu auf Anfrage Ausführungen in Farben nach Kundenmuster.
