

Un concetto strutturale e formale che risale alla più antica tradizione, tanto da porsi fuori dal tempo. L'idea stessa di sedia che diventa un componente d'arredo non ostentato, eppure in grado di contribuire ad un'atmosfera, sottolineare il carattere di uno spazio. Una semplicità che risulta contemporanea, anche nella facilità con la quale può vestirsi di molteplici tonalità e gradazioni.

A structural and formal concept which dates back to the oldest tradition to become timeless. The actual idea of a chair which becomes a discreet piece of furniture yet able to add to the mood and heighten the personality of a space. A simplicity seen to be contemporary also in the ease with which it can be covered in many colours and colour shades.

Un concept structurel et formel qui remonte à la tradition la plus ancienne, au point de devenir intemporel. L'idée même de chaise qui devient un élément de mobilier discret tout en étant capable de contribuer à une atmosphère et de mettre en valeur la personnalité d'un espace. Une simplicité qui se révèle contemporaine, y compris dans la facilité avec laquelle elle peut adopter une multitude de teintes et de nuances.

Ein konstruktives und formales Konzept, das auf eine alte Tradition zurückgeht und so eine zeitlose Dimension annimmt. Die verkörperte Idee eines Sessels, der zu einem unaufdringlichen Teil der Einrichtung wird und dennoch zu einer besonderen Atmosphäre beiträgt und den Charakter der Räume betont. Eine zeitgemäße Schlichtheit, auch in der Leichtigkeit, mit der farblich unterschiedlichste Bekleidungen möglich sind.

Lo schienale avvolgente a sezione triangolare, è l'elemento caratterizzante di una seduta accogliente ed elegante allo stesso tempo. Un dettaglio di ispirazione nordica che esprime una particolare attenzione per l'ergonomia ed un senso architettonico dell'arredo. Una pulizia formale che non rinuncia ad un caldo senso di comfort, sia nelle versioni completamente in legno che in quelle con sedile imbottito.

The curved back with triangular section is the distinctive feature of a chair which is both welcoming and elegant. A detail of Nordic inspiration manifesting a special focus on ergonomics and an architectural sense of furnishing. Clean lines which do not forgo a warm sense of comfort, both in the all-wood versions and in those with upholstered seat.

Le dossier enveloppant de section triangulaire est l'élément caractérisant d'une chaise à la fois accueillante et élégante. Un détail d'inspiration nordique qui exprime une attention particulière pour l'ergonomie et un sens architectural de l'ameublement. Une pureté des formes qui ne renonce pas à une sensation chaleureuse de confort, aussi bien dans les versions entièrement en bois que dans celles avec assise rembourrée.

Die körpernahe Rückenlehne mit dreieckigem Profil ist das entscheidende Element, das den Charakter dieses ebenso einladenden wie eleganten Sitzmöbels prägt. Ein Detail nordischer Tradition, das die besondere ergonomische Sorgfalt und architektonische Dimension zum Ausdruck bringt. Die klaren Formen vermitteln dennoch ein warmes Gefühl von Komfort, sowohl in den Ausführungen komplett aus Holz als mit gepolsterter Sitzfläche.

Ricorda l'atmosfera dei tipici locali italiani del Novecento, questa seduta con schienale dalle forme morbide e decorative. Un tratto dal sapore particolare che può essere reso ancora più unico, scegliendo in una gamma molto ampia di possibilità cromatiche, anche in gradazioni progressive dello stesso colore laccato, e di rivestimenti di ogni tipo.

This seat with its back with soft and decorative shapes is reminiscent of the atmosphere of typical Italian bars and restaurants in the twentieth century. A design with a special feel which can become even more unique through a choice from a very broad range of possible colours, also in gradient shades of the same lacquer finish colour, as well as all types of upholstery.

Cette chaises avec son dossier aux formes douces et décoratives rappelle l'atmosphère des établissements italiens typiques du XXe siècle. Une caractéristique d'un goût particulier qui peut être rendu encore plus unique, en choisissant dans une ample gamme de possibilités chromatiques, y compris avec des nuances progressives de la même couleur laquée et de revêtements en tout genre.

Mit der Rückenlehne in der weichen, dekorativen Form erinnert der Stuhl an die typische Atmosphäre italienischer Lokale des 20. Jahrhunderts. Ein Design mit besonderem Flair, das dank der großen farblichen Auswahl, auch in ansteigenden Nuancen der gleichen Lackfarben, und der unterschiedlichsten Bezüge zusätzliche individuelle Noten ermöglicht.

Lo schienale ampio, oltre ad offrire un sostegno particolarmente generoso, ricorda situazioni del passato, riportando in auge una tipologia di seduta risalente ai primi decenni del Novecento.

Nello spazio, questo dettaglio formale emerge con un valore quasi grafico, anche in sorprendenti abbinamenti tono su tono: una possibilità offerta dall'intera collezione Origins 1971.

The broad back, as well as providing particularly generous support, is reminiscent of examples from the past, bringing back into fashion a type of seat dating back to the early twentieth century. This formal detail stands out in the space with an almost graphic quality, also with surprising tonal coordination, a possibility offered by the entire Origins 1971 collection.

Le large dossier, en plus d'offrir un soutien particulièrement généreux, rappelle des situations du passé en remettant au goût du jour un type de chaise emprunté aux premières décennies du XXe siècle. Dans l'espace, ce détail formel émerge avec une valeur presque graphique, y compris dans de surprenantes associations ton sur ton : une possibilité offerte par toute la collection Origins 1971.

Die breite Rückenlehne garantiert eine besonders großzügige Stütze und erinnert an Atmosphären der Vergangenheit, ein Sitzmöbel im Stil der ersten Hälfte des 20. Jahrhunderts, aber modern interpretiert. Diese besondere Form nimmt im Raum eine fast grafische Dimension an, auch in überraschenden Kombinationen Ton-in-Ton: diese Möglichkeit wird von der gesamten Kollektion Origins 1971 geboten.

Una tipologia d'arredo trasversale, fra la sedia e la poltroncina, con uno schienale di grandi dimensioni che accentua la presenza della seduta nell'ambiente, pur senza risultare pesante né eccessivo. La possibilità di interpretare ruoli impegnativi da protagonista, è accentuata dalla scelta fra diversi colori e rivestimenti, anche con abbinamenti inconsueti.

A versatile furniture type, midway between chair and small armchair, with a large-sized back which accentuates the presence of the seat in the room, without heaviness or excess. The possibility of interpreting difficult lead roles is emphasised by the choice from among different colours and upholsteries, also with unusual coordination.

Ein anpassungsfähiges Möbel zwischen Stuhl und Sessel, mit großflächiger Rückenlehne, das sich im Raum bemerkbar macht, aber weder schwer noch aufdringlich wirkt. Die wichtige Rolle in der Charakterisierung von Räumen wird durch die Auswahl an Farben und Bezügen, auch in ungewöhnlichen Kombinationen, weiter gestärkt.
